 - first draft of, 2-37
 - memorandum, 2-42
 - official, 2-36
 - preparation of, 2-37
 - reviewing, 2-38
 - security classifications of, 2-39
 - smooth version of, 2-30
 - standard naval letter, 2-39
 - standard subject identification codes (SSICs) in, 2-45
 - target date of, 2-37
 - types of, 2-39
 - writing standards, 2-45
- Counseling, 2-8
 - command counseling sheets, 2-8
 - enlisted performance evaluation reports, 2-8
 - letters of instruction, 2-8
 - page 13 entry in the enlisted service record, 2-8
 - Counseling and Assistance Center (CAAC), 3-21
- D**
- Damage control information, sources of, 7-16
- Damage control responsibilities, 7-3
 - communications, 7-16
 - of the commanding officer, 7-3
 - of the damage control petty officer, 7-3
 - of the division officer, 7-3
 - of the executive officer, 7-3
 - of the officer of the deck, 7-3
- Damage control organization, 7-4
- Damage control petty officer (DCPO), 7-3
 - damage control battle organization, 7-4

Damage control petty officer (DCPO)-Continued

- dress requirements for repair parties, 7-6
- duties and responsibilities, 7-3
- functions of damage control central, 7-5
- repair parties and teams, 7-5
- repair party assignments, 7-6
- setting material condition Zebra, 7-6
- work center DCPO, 7-4

Damage control central (DCC), 7-5

Deck log, in port, 5-6

Decontamination stations, personnel 7-28

Disaster control ashore, 7-32

- initial disaster relief, 7-32
- investigation, 7-32
- planning, 7-32
- routine aid and assistance, 7-33
- withdrawal, 7-33

Dogs, drug detection, 3-14

Downgrading and declassification markings, 2-36

- message cancellations, 2-36
- message readdressals, 2-36
- minimize condition, 2-36

Drug abuse, 3-8

- abuser identification, 3-13
- education, 3-8
- prevention, 3-14
- types of drugs and their effects, 3-8

Drug and Alcohol Program Advisor (DAPA), 3-21

Drugs, types of and their effects, 3-8

- amphetamines, 3-10
- cocaine, 3-10
- codeine, 3-10
- crack, 3-10
- depressants, 3-11
- hallucinogens, 3-11
- heroin, 3-9

Drugs, types of and their effects-Continued

- marijuana, 3-12
- methadone, 3-10
- morphine, 3-10
- narcotics, 3-9
- opiates, 3-9
- stimulants, 3-10
- volatile chemicals, 3-11

E

Emergency bills, 4-7

- CBR defense bill, 4-8
- emergency destruction bill, 4-8
- general emergency bill, 4-7
- man overboard bill, 4-7

Enlisted Commissioning Program, 4-20

Enlisted Performance Evaluation Report, 2-8

- adverse, 2-15
- avenues of recourse for adverse remarks in, 2-15
- changes and corrections to, 2-17
- command responsibilities for, 2-11
- continuity of periods covered in, 2-13
- correction of naval records pertaining to, 2-15
- development of, 2-13
- for other than normal evaluation categories, 2-13
- form, 2-18
- individual input to, 2-15
- individual rights and responsibilities toward, 2-14
- review of, 2-15
- signature of member on, 2-17
- Special Performance Evaluation Report, 2-11
- supplemental reports, 2-17
- timeliness of, 2-14

Enlisted safety committee, 6-4

Equal opportunity, 3-1

- command enforcement, 3-4
- command responsibilities, 3-3

Equal opportunity-Continued

supervisor's responsibilities, 3-2

Equipment tag-out log, 6-14

audits, 6-15

instrument log, 6-15

record sheets, 6-15

Evaluations. See Enlisted Performance Evaluation Report.

F

Fire fighting, 7-10

CO₂ safety precautions, 7-12

Halon 1301 hazards, 7-12

initial fire-fighting operations, 7-12

postfire action, 7-12

preventing spreading of fire, 7-12

Fleet organization, 1-4

Flooding control, 7-13

establishing flooding boundaries, 7-14

holding what you have, 7-14

holes in hull above the waterline, 7-16

holes in underwater hull, 7-14

methods used in, 7-16

preparatory measures to resist flooding before damage, 7-13

rate of flooding, 7-14

types of, 7-13

H

Hazardous waste/material petty officer, 6-9

Hazardous waste/materials, 6-9

asbestos, 6-9

control measures for asbestos removal, 6-9

respiratory protection from, 6-9

Hearing conservation and noise abatement, 6-12

Heat. See Air blast, heat, and underwater shock, protection against

Heat stress, 6-12

I

Inspections, 1-20 and 4-22

administrative, 1-21

Board of Inspection and Survey (INSURV), 1-21

operational readiness (ORI), 1-20

Propulsion Examination Board (PEB), 1-20

Inventories, 2-2

division damage control space, 2-2

division supply, 2-2

division tool, 2-2

J

Job safety analysis, 6-4

Junior officer of the deck, in port, 5-9

duties, responsibilities, and authority of, 5-10

organizational relationships of the junior officer of the deck, 5-9

L

Leading petty officer, 4-3

assignment of duties, 4-4

assignment of supervisory jobs, 4-4

authority and responsibility of a, 2-28

cross-training, 4-5

delegating signature authority, 2-29

delegation of authority for task completion, 2-29

duties, 4-3

evaluation and prioritization of division jobs, 2-29

facsimile stamps, 2-30

responsibilities, 4-3

signature authority, 2-29

signature block, 2-30

Limited Duty Officer Program, 4-18

M

Mast, 3-4

appeals procedure, 3-7

Mast-Continued

- conduct of, 3-4
- documentation of charges presented at, 3-5
- effective dates of punishment, 3-7
- finances, 3-7
- premast advice, 3-6
- premast screenings associated with, 3-6
- procedures, 3-5
- punishment resulting from, 3-7
- rights of accused, 3-5
- types of punishment, 3-7

Master at Arms/Safety Force, 6-6

Medical Service Corps, 4-20

Messages, 2-30

- addressee of, 2-31
- addresses in, 2-33
- cancellation of, 2-36
- classification line, 2-35
- collective address designator (CAD) in, 2-35
- date-time group assigned to, 2-33
- downgrading and declassification markings in, 2-36
- drafter of, 2-31
